

# ENGINE OVERHAUL KITS & CYLINDER KITS

**PREMIUM QUALITY REPLACEMENT ENGINE PARTS**

*Suitable for: Komatsu®, Caterpillar®, Cummins®, Perkins® & John Deere® applications.*

KMP's engine kits are well-known in the industry for high quality, reliable performance, affordability and great availability. We have one of the most comprehensive ranges of engine parts for Caterpillar, Komatsu, Cummins, Detroit Diesel, Perkins & John Deere equipment.

Depending on maintenance needs, customers may choose to purchase either **full overhaul kits or individual cylinder kits**. Our convenient and flexible solutions will reduce your engine downtime and increase profitability.

## What's in a KMP kit:

	Engine Overhaul Kit	Cylinder Kit
Piston, pin & clips	✓	✓
Liner & seals	✓	✓
Piston ring set	✓	✓
Conrod bushing	✓	✓
Engine bearings	✓	
Valves, locks, inserts, guides, seals & retainers	✓	
Gasket kit	✓

# ENGINE OVERHAUL KITS & CYLINDER KITS

**PREMIUM QUALITY REPLACEMENT ENGINE PARTS**

**Suitable for: Komatsu®, Caterpillar®, Cummins®, Perkins® & John Deere® applications.**

All kits are built with high-quality engine components which go through strict KMP research, development and inspection processes.

Offering premium technology, consistent reliability, durability and manufactured to OEM specification, one need not look any further than KMP for these important engine components.

## PISTONS & RING SETS

Piston and piston rings are some of the most critical components of the engine as they bear immense pressure during engine operation.

All KMP Brand pistons and rings are manufactured in state-of-the-art facilities to OEM specification using premium materials and high-precision machining. They pass through a statistically-controlled production process to guarantee highest quality.

## ENGINE BEARINGS & BUSHINGS

KMP bearings are produced with precision technology and superior metals in-line with OEM specifications, ensuring best-in-class lifespan and functioning of parts in the engine. We supply a comprehensive range of main bearings, thrust bearings, conrod bearings & bushings and camshaft bearings in standard and oversized options.

## LINERS & SEALS

KMP offers both wet and dry liners manufactured to strict OEM specifications. Our wet liners are induction-hardened to ensure strength and durability during operation. Our dry liner sleeves come in finished or semi-finished options, as well as oversized options.

With thousands of KMP liners used by mechanics worldwide each year, you can be assured of premium quality and affordability.
